

Specialized Underwriting

*Together,
we'll keep
California
working.*

ADR

Our Alternative Dispute Resolution (ADR) underwriters have specialized expertise in servicing unionized employers by promoting arbitration and reducing litigation.

U.S.L&H

We offer coverage for employees who fall under the U.S. Longshore and Harbor Workers' Compensation Act.

Trucking

Our trucking team understands the unique challenges of this industry and works with you to accurately quote this business, reducing the potential for disputes during audits.

Other States Coverage

Our Other States Coverage (OSC) unit offers coverage to California employers with ancillary out-of-state exposures in addition to their California policy.

Temp Help/PEO

Temp Help and Professional Employer Organizations (PEO) can be challenging to classify and price due to their unique business models. Our underwriters have the expertise and experience to accurately classify exposures, eliminating costly surprises at audit.

Large Accounts

Our dedicated large account underwriters expertly evaluate and price accounts of \$500,000 or more in standard premium. In addition, we offer customized stewardship plans to meet the needs of your largest clients.
