

Premier Broker Program

Our premier Broker Program is designed for brokers whose business performance and commitment significantly contribute to State Fund's success*

Enhanced compensation and incentive plans that maximize your earnings.

Dedicated support and servicing including claims, audit, billing, loss prevention, and in-house underwriting representatives.

Advanced strategy and business planning sessions to maximize incentives.

Customized in-house producer training and loss prevention seminars tailored to the needs of your staff and clients.

Access to our leadership team and invitations to our annual Premier Broker Summit.

Professional co-branded marketing materials to educate your clients.

Co-op marketing opportunities to participate with us at tradeshows and sponsorship events.

* Broker is eligible based on paid premium performance of \$10M per year and satisfying State Fund's broker operating metrics.

Let our team show you how easy it can be to make worker's comp work for you.

Together, we'll keep California working.
