Create a Culture of Safety in Your Workplace

Having an effective Injury and Illness Prevention Program (IIPP) and ensuring that it's accessible to and understood by all employees is in the best interest of every business owner:

- Have a safer workplace
- Reduce claim frequency
- Lower cost of doing business
- Ensure Cal/OSHA compliances

State Fund's IIPP BuilderSM is Available to all California Employers

Whether you need to start at the beginning or update your current plan, our free, easy-to-use tool can help:

- Customize the right plan for your business
- Communicate with and involve your employees
- Monitor training and hazard correction

Every business in California is required to have a written plan accessible to all employees.

State Fund has been helping to make California workplaces safe for more than 100 years. The path to worksite safety begins with an effective, compliant IIPP.

Together, we'll keep California working.
