V. EXECUTIVE SUMMARY:

It is a useful practice to construct a board agenda for the year ahead (annual calendar) indicating the substantive items to be addressed for each meeting, yet providing flexibility to consider other issues as they arise.

Part of the Board process is to set-up the annual calendar of agenda items for Board and Committee meetings, to be presented and approved at every November meeting.

Normally the four meetings are set for February, May, August and November with an April placeholder for Board Continuing Education but there is flexibility to accommodate scheduling conflicts and for 2021 the first meeting is February.

VI. ANALYSIS:

The annual agenda provides a useful starting point to ensure that all the standing items and key issues will be covered throughout the year, and leaves room for ongoing changes and flexibility. Moreover, it indicates when each key topic is coming up for discussion, which can be used in the preparation of Board information.

As the year progresses, and the annual agenda is translated into a series of meeting agendas, the annual agenda should be reviewed and appropriate modifications should be made to ensure that the individual agendas are as useful as possible.

VII. RECOMMENDATION:

To recommend for Board approval the attached Investment and Risk Committee 2021 agenda items as presented.
