Clear Written Standards of Conduct, Policies & Procedures

[Request for approval – Incompatible Activities EC&F 2.3 policy revision](#). This policy supports the Code of Conduct. The policy has been revised to incorporate Close Personal Relationships policy (EC&F 2.8) in support of our efforts to streamline State Fund’s policy portfolio and to clarify that engagement in certain activities does not affect an employee’s rights under collective bargaining agreements.

[New Legislation – AB 553 \(Daly\)](#). The Corporate Governance Disclosure Act immediately amends the Insurance Code adding sections 936.1 et seq. AB 553 requires Insurance Groups to annually submit a Corporate Governance Annual Disclosure (CGAD) to the Insurance Commissioner summarizing their corporate governance framework. The CGAD and collateral material will be considered confidential and exempt from the California Public Records Act. The first CGAD is due by June 30, 2016.

¹ All Governance reports are grounded in State Fund’s Compliance Framework – resource USSG Ch. 8 Part B2.1(b)

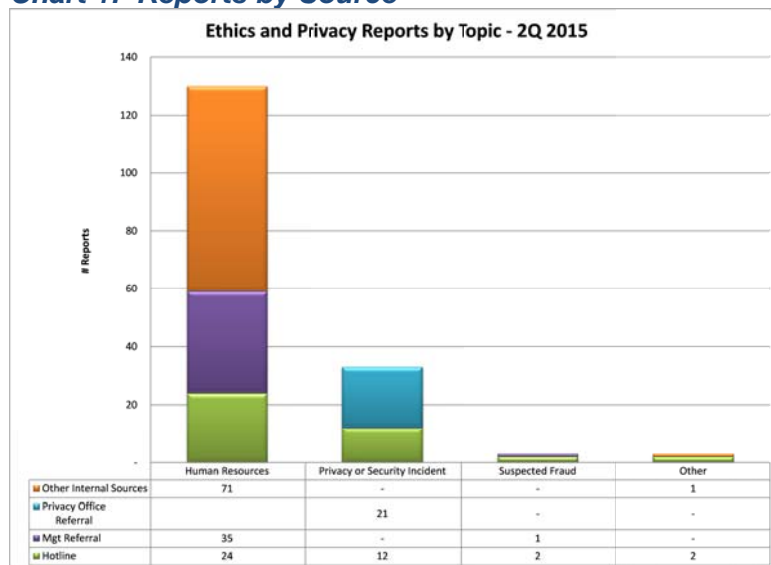

Operational impact – Annual reporting with certification required. Reports submitted after July 1 are subject to late fees.

New Legislation – SB 570 (Jackson). Amends Cal. Civil Code §§ 1798.29 (for agencies) and 1798.82 (for businesses) of the California Data Breach statute. The legislation expands the definition of personal information² to include data collected through an Automated License Plate Recognition system, adds a definition for “encrypted”, and requires notifications to contain specified titles and specified section headings.

Operational impact – Adds title and section headings to the notification³ State Fund must issue when there is, or there is a reasonable belief that, a breach of a security system resulted in unauthorized disclosure of computerized and unencrypted personal information.

Consistent monitoring, evaluation & reporting
