Dear Jeanne,

I want to take this opportunity to thank you for the incredible experience that I have had serving as a member of the State Compensation Insurance Fund.

After careful deliberation, I have concluded that it is time for me to resign my commission to the State Fund, effective immediately.

It has been a profound and highly educational appointment for me, both personally and professionally. I have reached this decision in light of my very tedious travel schedule as related to my positions as a local, regional and internationally elected Teamster officer.

Therefore, please accept my resignation from the board and know that it was a difficult decision for me. Please give my best to the rest of the board.

Very Warm Regards,

Jim Santangelo, President
Teamsters Joint Council 42
