V. EXECUTIVE SUMMARY:

In accordance with Sections 1200 and 1201 of the California Insurance Code, all investments made during the first quarter of 2016 (including securities purchased or sold, and investment loans) are presented to the Investment Committee for approval.

VI. ANALYSIS:

The investment transactions for the period of January 1, 2016 to March 31, 2016 are attached as Item 3b(i). In the fixed income portfolio, State Fund purchased 101 bonds totaling \$1.3 billion and sold 32 bonds for a total of \$370.8 million. In the equity portfolio, \$84.5 million were purchased. Out of the \$117.7 million equity sales, \$25 million were sale orders to comply with the 20% of surplus restriction on the combined value of equity portfolio, asset backed securities, non-agency CMBS, and the FHLB stock. The balance were for rebalancing. Year-to-date through March 31, the total net gain from the entire portfolio was \$21.5 million. The aggregate book adjusted carrying value of all investments was approximately \$19.6 billion.

The current investments no longer in compliance with State Fund’s Investment Policy are listed in the Compliance Report, Attachment 3b(ii). There are two out-of-compliance bonds. These bonds complied with the Investment Policy and met certain minimum credit rating standards at the time of purchase.

We request the Investment Committee’s approval and ratification of these investment transactions. These reports are also attached as Item 8ci on the agenda of the Full Board meeting.

VII. RECOMMENDATION:

We recommend that the Investment Committee approve and ratify the investment transactions from January 1, 2016 to March 31, 2016.

INVESTMENTS TRANSACTIONS

Eight hundred seventy nine transactions were consummated during the period from January 01 to March 31, 2016.
