

TAKING ACTION FOR SAFETY AND HEALTH

Free Training on Implementing Your Injury and Illness Protection Program (IIPP)

Did you know that all California employers are required to establish, implement, and maintain a written Injury and Illness Prevention Program (IIPP)?

This **free** half-day course will train you in how to develop and implement an effective IIPP at your workplace that meets Cal/OSHA requirements, and will have an additional emphasis on heat illness protection.

This is a public seminar presented by trainers from UC Berkeley Labor Occupational Health Program and State Compensation Insurance Fund.

The event will be held:
Tuesday, October 25, 2016
1:00 p.m. – 5:00 p.m.

State Compensation Insurance Fund
10 River Park Place East,
Saroyan Room
Fresno, CA 93720

Pre-registration is required.
Deadline to register is Wednesday, October 19, 2016.

To register, email Kelly Chan at kellychan@berkeley.edu, or www.lohp.org/iipp.

For more safety content, go to <http://statefundcablog.com/>.

The presentation will include information about:

- Meeting Cal/OSHA requirements and expectations for an effective IIPP.
- How to identify and solve common health and safety problems in your workplace.
- Steps for investigating work-related accidents, injuries, and illnesses when they occur.

The Worker Occupational Safety and Health Training and Education Program is administered by the Commission on Health and Safety and Workers' Compensation in the Department of Industrial Relations through inter-agency agreements with the Labor Occupational Health Program at the University of California, Berkeley, the Western Center for Agricultural Health and Safety at the University of California, Davis, and the Labor Occupational Safety and Health Program at the University of California, Los Angeles.
