

Specialized Claims Management

Claims specialization is the key to better outcomes for employers and injured workers.

Our experienced claims adjusters deliver:

- A comprehensive claims intake process
- Efficient, accurate claims processing
- Helpful, responsive service

A workplace injury is stressful and can take a toll on you and your business. We'll help you navigate the entire process with speed, care, and expertise.

Our team of specialists analyzes each claim to develop and implement a strategy designed to quickly deliver a resolution.

Intake Specialist

Evaluates and establishes liability for the claim

Fast Track Specialist
