

Developing an Effective IIPP

This free half-day course will train you in how to develop and implement an effective Injury and Illness Prevention Program at your workplace that meets Cal/OSHA requirements.

This is a public seminar presented by trainers from UC Berkeley Labor Occupational Health Program and State Compensation Insurance Fund.

Wednesday October 11, 2017
1:00 PM - 5:00 PM

State Compensation Insurance Fund
2175 Shasta View Drive
Shasta A & B Conference Rooms
Redding, CA 96003

TO REGISTER:

- Contact Robin Dewey rdewey@berkeley.edu or (510) 642-2477
- Online at www.lohp.org

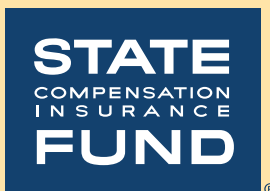

Pre-registration is required.

Participants will learn:

- How to identify and solve common safety problems in your workplace.
- Steps for investigating work-related accidents, injuries, and illnesses when they occur.
- Ways to involve your employees in your safety program.
