

How to Develop and Implement an Effective IIPP

Employers in California are required to have an effective written Injury and Illness Prevention Program (IIPP). During this free workshop you will learn how to develop, implement, and maintain an effective workplace IIPP that meets Cal/OSHA requirements. Instructors from Cal/OSHA Consultation Services and State Compensation Insurance Fund will guide you step by step through all of the IIPP components using the Cal/OSHA Model Program as a foundation to build your program.
