

How to Develop and Implement an Effective Injury & Illness Prevention Program

Employers in California are required to have an effective written Injury and Illness Prevention Program (IIPP). During this free seminar you will learn how to develop, implement, and maintain an effective workplace IIPP that meets Cal/OSHA requirements. Our instructors will guide you step by step through all of the IIPP components using the Cal/OSHA Model Program as a foundation to build your program.

Tuesday March 19, 2019
9AM – 12PM in English
1PM – 4PM in English

State Compensation Insurance Fund
1750 East Fourth Street
Santa Ana, CA 92705
San Clemente Room, 1st Floor

Participants will learn:

- How to create an effective, Cal/OSHA compliant IIPP
- How to identify and solve common health and safety problems in your workplace
- Steps for investigating work-related accidents, injuries and illnesses when they occur
- How to involve your employees in your safety program
